

GOLGO 13

Golgo 13

Air wolves and iron tanks? Hey, this dude eats heavy metal for breakfast. The man likes to pack a custom M-16, but his karate kicks to the chops are just as deadly. He's anybody's agent if the price is right; and he's everybody's worst nightmare. **Golgo 13** is the secret code for action. Air combat anyone? **Golgo 13** takes you right up the tailpipes of bellowing bombers, right through the little choppers, and right around screaming interceptors. Whether it's crunching karate combat, tense underwater tank warfare, or the sizzling laser fights in the best mazes in video, **Golgo 13** means action. In fact, there's so much action that you'll probably wear down the B-button.

Bump'n' Jump

No, this isn't bumper cars! **Bump'n' Jump** is a hard driving game that's jumped right out of the arcades and into your living room. Look at it. You've got the four-wheel out on a laid-back cruise, just taking in the scene with your girl, Bunny. Then out of nowhere there is a sonic explosion of turbulent metal on wheels, a rush of hot dirty air, the smell of high-octane fuel and . . . she's gone!

Dark Jackal and his highway bandits have got Bunny stuffed into a back seat, and they've left you in a cloud of burnt dust. What you have on the road ahead is a bone-jarring chase from crowded city streets to treacherous mountain curves. Can you stay on the road and live long enough to save Bunny?

Clash at Demonhead

Professor Plum and his designs for the dreaded, death-dealing doomsday device, Dead End, are in the clutches of the diabolical Lawbreakers—a sinister society dedicated to the destruction of mankind. It's only a matter of time before the Dead End Device is assembled and the final countdown to global Armageddon begins.

As Sgt. Billy "Big Bang" Blitz—the youngest and gutsiest commando of the Special Assault Brigade for Real Emergencies (S.A.B.R.E)—your mission is to foil the Lawbreakers' insidious plot. To accomplish your mission, you must find the shortest route to the summit of Demonhead Mountain, where the poor professor is being held prisoner. Rescue the professor, and you save the world from total destruction. But if you should fail...

All-Pro Basketball

Bored with simple-minded one-on-one basketball? Disappointed that only three men on your team can dribble down court? In a foul mood because the guy who made the basketball game you bought seems to be using hockey rules?

If you're a die-hard gym rat who can play the game, and expect your competition to be the same way, then it's time to play ball because All-Pro Basketball has arrived.

All-Pro is true all-court Five-On-Five basketball complete with long-range jumpers, in-your-face stuffs, passes, steals, rebounds, fouls, and even a half-time show.

If you're new to basketball, buy the other games. But if you're a real basketball junkie, leave that weak stuff on your home court, and let's get down to the pro game.
